

White Rock Rowing Travel Exemption Form

White Rock Rowing provides transportation for all regattas throughout the season. All athletes are expected to travel to and from the regatta with the team. We understand that occasionally there are circumstances that prevent this. In this instance, we ask that the parent/guardian of the athlete fill out the below form and provide necessary details on the reason for the separate travel and the person who will be providing transportation for your athlete. By signing this form you certify that your athlete has safe transportation to/from the regatta and release White Rock of all liability associated with the Athlete's travel.

This form must be submitted via email or printed and handed in to your athlete's coach in person and approved by said coach the day **BEFORE** departure for the regatta.

Thank you for your continued support of White Rock Rowing!

1. Athlete First and Last name
2. Regatta/Event Name
3. Transportation Date
